Re: United States v. Avila, et al. (Tyler Patterson)
Ind. #: (S3) 19 Cr. 166 (VEC)

Dear Judge Caproni:

I write on behalf of defense counsel for the five defendants named in the above-referenced superseding indictment, and without objection of the government, by AUSA Jamie Bagliebter, to respectfully request a two week extension of the due date for defense motions, presently due January 15, 2021. Counsel request further a corresponding adjustment to the dates for opposition by the government and for any replies, now due the 12th and 26th of February, respectively. This request is made so that defense counsel may have the opportunity to coordinate and discuss motion practice in this matter among ourselves before filing, and for continued review of the voluminous discovery turned over by the government in this case.

Counsel thanks the Court very much for its attention in this matter.

Sincerely,

Robert A. Soloway
